

VALIDATOR MACHINE

Time stamp is versatile, featuring high quality, a clear, crisp imprints. It is compact and offers a wide variety of desirable features. It is a distinctive two tone, light and dark grainy finish that will complement the décor of any office. The digital time display can be synchronized with the time print mechanism.

Instant trigger operation – you just insert the paper
Quick ribbon change – no mess.

A new, open throat and finger indent case feature for greater accessibility. Documents of letter size or smaller letters can be inserted with ease. The depth of the throat can be adjusted to allow a selection of imprint locations.

Stamping pressure can be electronically increased or decreased through multi-part carbon and non carbon forms.

Inscriptions can be both above and below the time display line.

To Operate Simply plug into an ordinary AC circuit. The minutes, hours, AM and PM, and the date of the month advance automatically as does the ribbon.

Tamper Proof Machine is locked with a key. Only authorized personnel can change the setting.
